

Jazz Standards

Ain't misbehavin'

All I do is dream of you

All of me

Almost like being in love

Autumn Leaves

At Last

Bewitched (Bothered and Bewildered)

Beyond the sea

Blue Moon

Blue Skies

But not for me

Cheek to cheek

Come fly with me

Come rain or come shine

Cry me a river

Don't get around much anymore

Dream a little dream of me

Embraceable you

Fever

Fly me to the moon

Girl from Ipanema

Goody Goody

Happy Talk

I can't give you anything but love

If I were a bell

I get a kick out of you

I got rhythm

I've got a crush on you
I've got you under my skin
I'm in the mood for love
It's only a paper moon
It don't mean a thing (if it ain't got that swing)
Just one of those things
Let's call the whole thing off
Lets do it
Love me or leave me
Lullaby of Birdland
L-O-V-E
Misty
My funny valentine
My favourite things
Nice work if you can get it
Night and Day
Our love is here to stay
Skylark
Someone to watch over me
Summertime
Speak low
Stormy Weather
Straighten up and fly right
Strangers in the night
Sway
S'Wonderful
That's life
They can't take that away from me

The nearness of you

The very thought of you

The lady is a tramp

The man I love

Too darn hot

Unforgettable

You are the sunshine of my life

You belong to me

You make me feel so young

You must have been a beautiful baby

What a wonderful world

What a difference a day made

When I fall in love
